I Wish

Hilary Duff

Everyday it's getting worse not better,
Maybe we should sit and finally talk.
Cuz where were at it's hard to measure,
When I'm standin in front of a wall, yeah

You wanna know why I look sad and lonely.
You wanna know why I can barely talk, well
It's not your fault so let me say I'm sorry,
For makin you the reason for my fall.

I wish that I could be like I was before.
I was ridin high but now I'm feelin so low.
I wish that you could make my world feel better,
And take away the hurt so I won't be so far gone (yeah)

I wish, I wish, I wish, I wish
I wish, I wish, I wish

You always hurt the people closest to ya,
Guess I blamed you for everything wrong.
And I don't know why it's so hard to tell ya,
I guess that's why I'm writing you this song! yeah

You wanna know why I look sad and lonely.
You wanna know why I can barely talk, well,
It's not your fault so let me say I'm sorry,
For makin you the reason for my fall

I wish that I could be like I was before.
I was ridin high but now I'm feelin so low.
I wish that you could make my world feel better,
And take away the hurt so I won't be so far gone. (yeah)

I wish, I wish, I wish, I wish
I wish, I wish, I wish

I wish that I could be like I was before.
I was ridin high but now I'm feelin so low.
I wish that you could make my world feel better,
And take away the hurt so I won't be so far gone.

I wish that I could be like I was before.
I was ridin high but now I'm feelin so low.
I wish that you could make my world feel better,
And take away the hurt so I won't be so far gone. (yeah)

I wish, I wish, I wish, I wish
I wish, I wish, I wish, (yeah)
I wish, I wish, I wish, I wish
I wish, I wish, I wish
