

Play with Fire

Hilary Duff

1. I can't believe it's really you
Been so long, you look good
I hear you're doing really well
Don't ask me, let me tell you
How I've been since when you left
Since you left me for dead
Finally every tear has dried
I've wiped you from my life

X: Do you remember all the times you said you'd call me
'Cause I remember all the reasons people warned me
And now I hear your sayin' that you still adore me
But if you think I'd ever get with you again
Then you can just

R: Love me, love me Feed the flame
If you want me back again
Burned through the sky Higher and higher
Baby, can you play with fire

(Burned into the sky) Love me, love me
(Far into the sky) If you want me

2. You never know just what you got
'Til it's gone, you freak out
But I'm not falling for that game
Boys like you never change
You made me feel I wasn't enough
Wasn't enough for your love
But it was insecurity that
made you run It wasn't me

X. So dont you sit there trying to give me more excuses
I don't have time for this I'm off to play in Houston
And I'm too busy with the million things I'm doin'
You can't make up for what you've done
But you still try to be the one

R: Love me, love me Feed the flame...

(Burned into the sky) Love me, love me
(Far into the sky) If you want me

*: Oh, by the way, by the way
I've found someone who gives me space
Keeps me safe Makes me sane
Found someone to take your place
Now I'm safe in his arms
And I decided only he can play with fire

R: Love me, love me Feed the flame...

I can't believe it's really you (Love me, love me)
I hear you're doing really well (If you want me)
Finally every tear has dried (Love me, love me)
Can boys like you, boys like you Play with fire
