

Reach Out

Hilary Duff

1. From the minute that you
walked right through the door
Thoughts are racing in
my mind, time to explore
I told my friends that
I just gotta have him
But don't look now cause
I see you staring at him
Then my vision had him
walked on in the sides
On a mission, for position
at the end of the night
It's like a pray playing
games with the hunter
Nowhere to run boy
time to surrender

X: And all I need is to feel you
All I want is to feel you

R: Reach out and touch me
(Before I go insane)
Reach out and touch me
(Boy don't you make me wait)
I'm a diamond
you're so on the money
Reach out and touch me
And all I need is to feel you
Reach out and touch me

2. Like a pray your touch
can take me there
Ain't no mind, you and
me in a secret affair
Oh boy you're killing me
and you don't even knowing
Try to hold back but
I can't control it
So I'm stepping to you
skip the "How ya doing'?"
Grab your hand and pull
you closer to me yeah
Out the door slipping
then we start to kissing
Boy you're invited
to my fan-ta-ta-sy

X: And all...

R: Reach out and touch me... (2x)

*: Baby, can't you see how
you're affecting me
Baby sensual
physical fantasy
Maybe faith brought
the two of us close

And now Don't you
wanna don't you
wanna don't you wanna
don't you wanna
Reach out and touch me

R: Reach out and touch me... (2x)
