

# Sweet Sixteen

Hilary Duff

Today I'm gonna ride away  
And feel the sun throughout my hair  
Finally free to be who I wanna be  
Who that is I don't really care

'Cuz I've got friends who love me  
Blue skies are above me  
My blonde hair is everywhere

[Chorus:]  
Sweet sixteen  
Gonna spread my wings  
Sweet sixteen  
It's my chance to shine  
Sweet sixteen  
Discovering  
Sweet sixteen  
So much more to life  
Sweet sixteen

Drivin' down to the club where we go to dance  
Radio is blastin' and the top is down

There ain't nothin' in my way  
'Cept the traffic of L.A.

And I've got friends who love me  
Bright stars shine above me  
My blonde hair is everywhere

[Chorus]

Mamma loves me and a sister who shows me, and a daddy's always  
there

[Chorus]

I wanna know what it feels like  
I need to see it from the inside  
I can taste a bit of what I will find  
So much more to life  
Sweet sixteen

[Repeat]
