

Let The Whole World

Hillsong London

Let the whole world sing Your praise
Let creation bow down before You
You've got my whole world in Your hands
Let my heart sing a song of freedom

My heart's abandoned to Your name
Light of the whole world livin' in me
Let the nations resound for You, Lord
To see salvation here on the earth, here on the earth

You are the God of all my dreams
I'll follow You and everything
I have is Your, it's Yours
I'm living life for You and my world will never be the same

I'm living for you, God
So all will see Your kingdom come
And nothing in this world is gonna stop now
It won't hold me down
