

# Rise

Hillsong London

We are Your light Lord,  
we're gonna shine God and be the answer to  
The hurt and broken, this generation  
we lead them all to You

Giving our lives  
for what we know and believe in You  
Now's the time  
To show the world You're the way and the truth

The declaration of Your salvation  
Is life lived complete in You  
No more a stranger, to God the answer  
We give our all to You

Giving our lives  
For what we know and believe in You  
Now's the time  
To show the world You're the way, the truth

The church will rise to be  
The hands to reach the lost and meet the unmet need  
We will be Your revolution

We take a stand today  
And put our hands to what we know oh God we pray  
We will be Your revolution

The declaration of Your salvation  
Is life lived complete in You  
No more a stranger, to God the answer  
We give our all to You

Giving our lives  
For what we know and believe in You  
Now's the time  
to show the world You're the way and the truth

The church will rise to be  
The hands to reach the lost and meet the unmet need  
We will be Your revolution

We take a stand today  
And put our hand to what we know oh God we pray  
We will be Your revolution

And Your love will remain for all the world  
For Your grace never fails it's undeserved

The church will rise to be  
The hands to reach the lost and meet the unmet need  
We will be Your revolution

We take a stand today  
and put our hands to what we know oh God we pray  
We will be Your revolution

And Your love will remain for all the world  
For Your grace never fails it's undeserved

And Your love will remain for all the world  
For Your grace never fails it's undeserved
