

You Brought Me Home

Hillsong London

Your name oh Lord endures forever
Your fame oh Lord for all time
Your praises Lord will leave me never
Your love oh Lord is all mine

To Him my wisdom made the heavens
And His mercy ever lasting
To the One who gives salvation
I lift up my soul to You

Jesus, Savior, holy Lord
I know that You'll never forsake me or leave me alone
My Redeemer, Jesus Christ
You sacrificed yourself on the cross to bring me home
You brought me home
