

Rain / Reign

Hillsong United

Everything starts in You
Made to be beautiful
Nothing could tear Your heart
From the covenant You made for love

Everything moves in time
Played into Your design
Nothing could tear Your heart
From the world You died to save

You fall like rain!
In fire and thunder
The mountains melt
Like wax before You

Everything finds its place
Folding beneath Your ways
Nothing could stand against
Your resurrected Name

You fall like rain!
In fire and thunder
The mountains melt
Like wax before You
Your kingdom reigns!
In everlasting grace and wonder
Your love making all things new
Your love making everything beautiful

My God
Making all things new
Everything turning from ruin to life in You
Making all things new
Everything turning to something so beautiful!..
Your goodness, Your mercy
Your promise crashing down like rain
Your kingdom, Your glory
Your presence breaking out...

Like rain!
In fire and thunder
The mountains melt
Like wax before You
Your kingdom reigns!
In everlasting grace and wonder
Your love making all things new
Your love making everything beautiful

Everything ends in praise
Shining in Your embrace
Nothing could tear Your heart
From the promise that remains

You fall like rain
In fire and thunder
The mountains melt
Like wax before You

Your kingdom reigns!
In everlasting grace and wonder
Your love making all things new
Your love making everything beautiful
