## Rule

## **Hillsong United**

Be the crown in the light and sound Be the fire burning inside out Be the love casting out of fear Let your name move the atmosphere

Love like the skies are wide Crashing down to bring the world to life Hope came dancing on an empty grave Death has lost its rule to the King of grace

Be the crown in the light and sound Be the fire burning inside out Be the love casting out of fear Let your name move the atmosphere

Oh oh oh

And we owe it all to Jesus
Sin and all the shame deleted
Death and all these chains defeated
And the light we see is Jesus
And the air we breathe is freedom
And the sound it knows no fear
Your love rules the atmosphere

Oh oh oh

Be the crown in the light and sound Be the fire burning inside out Be the love casting out of fear Let your name move the atmosphere
