Salvation Is Here

Hillsong United

God above put the world in motion
God above all my hopes and fears
But I don't care what the world throws at me now
Yeah, it'll be alright, yeah

Hear the sound of the generations
Making loud our freedom song
All in all that the world would know Your name
Yeah, it's gonna be alright

'Cause I know my God saved the day
And I know His word never fails
And I know my God made a way for me
Salvation is here

God above put the world in motion
God above all my hopes and fears
Well, I don't care what the world throws at me now
Yeah, it's gonna be alright

'Cause I know my God saved the day
And I know His word never fails
And I know my God made a way for me
It's gonna be alright

'Cause I know my God saved the day
And I know His word never fails
And I know my God made a way for me
Salvation is here

Salvation is here
Salvation is here and He lives in me
Salvation is here
Salvation that died just to set me free

Salvation is here, yeah
Salvation is here and He lives in me
Salvation is here
'Cause You are alive and You live in me

Salvation is here
Salvation is here and He lives in me
Salvation is here
'Cause You are alive and You live in me

'Cause I know my God saved the day
And I know His word never fails
And I know my God made a way for me
It's gonna be alright

'Cause I know my God saved the day
And I know His word never fails
And I know my God made a way for me

Salvation is here
Salvation is here and He lives in me
Salvation is here, Jesus

'Cause You are alive and You live in me, yeah

'Cause You are alive and You live in me, yeah
