

# Shadow Step

Hillsong United

Light up the way of Your heart  
Move me like You do the mountains  
Move me like You do the wind  
And I'll chase Your voice through the dark  
Fix my eyes on the unexpected  
In the wonder of Your shadow step  
So take another step

You met me at the sinners table  
I found You waiting by the well, unexpected  
You are always there  
Tracing all my steps

Light up the way of Your heart  
Move me like You do the mountains  
Move me like You do the wind  
And I'll chase Your voice through the dark  
Fix my eyes on the unexpected  
In the wonder of Your shadow step  
So take another step

You never left the lost forsaken  
Your mercy paves the road ahead, unexpected  
You are always good  
You are always good

Light up the way of Your heart  
Move me like You do the mountains  
Move me like You do the wind  
And I'll chase Your voice through the dark  
Fix my eyes on the unexpected  
In the wonder of Your shadow step  
And I won't be afraid  
In every way, You never fail  
So have Your way, here God  
And I'll sing Your praise  
Fix my heart to Yours  
Ready for the unexpected  
Ready for what You will do next

I can't explain Your heart  
Or dare to trace-out all You are  
But when I think about the road You took for love  
I know Your grace will stay the path

Light up the way of Your heart  
Move me like You do the mountains  
Move me like You do the wind  
And I'll chase Your voice through the dark  
Fix my eyes on the unexpected  
In the wonder of Your shadow step  
And I won't be afraid  
In every way, You never fail  
So have Your way, here God  
And I'll sing Your praise  
Fix my heart to Yours  
Ready for the unexpected

Ready for what You will do next...

So take another step
