Shadow Step

Hillsong United

Light up the way of Your heart Move me like You do the mountains Move me like You do the wind And I'll chase Your voice through the dark Fix my eyes on the unexpected In the wonder of Your shadow step So take another step

You met me at the sinners table I found You waiting by the well, unexpected You are always there Tracing all my steps

Light up the way of Your heart Move me like You do the mountains Move me like You do the wind And I'll chase Your voice through the dark Fix my eyes on the unexpected In the wonder of Your shadow step So take another step

You never left the lost forsaken Your mercy paves the road ahead, unexpected You are always good You are always good

Light up the way of Your heart Move me like You do the mountains Move me like You do the wind And I'll chase Your voice through the dark Fix my eyes on the unexpected In the wonder of Your shadow step And I won't be afraid In every way, You never fail So have Your way, here God And I'll sing Your praise Fix my heart to Yours Ready for the unexpected Ready for what You will do next

I can't explain Your heart Or dare to trace-out all You are But when I think about the road You took for love I know Your grace will stay the path

Light up the way of Your heart Move me like You do the mountains Move me like You do the wind And I'll chase Your voice through the dark Fix my eyes on the unexpected In the wonder of Your shadow step And I won't be afraid In every way, You never fail So have Your way, here God And I'll sing Your praise Fix my heart to Yours Ready for the unexpected Ready for what You will do next...

So take another step
