Look across the world And let us shine for you, Lord The whole world is yours And I want to live for you

One thing I know
Is that you've changed my life
I give you my all
All you are is good
Give you my heart
God it's only you I seek
Give you my praise
'Cause I believe in you

Look across the world
And let us shine for you, Lord
The whole world is yours
And I want to live for you, O God

All that I know
Is that you've changed my life
I give you my all
And all you are is good
Carry the lost
Make my prayer in this life real
Carry my cross
Hold on 'til I see you

Look across the world And let us shine for you, Lord The whole world is yours And I want to live for you, O God

And I want to live I want to love you more I want to be used Father in all of the world May your word be heard May it stay on my lips To live what I speak Until your kingdom come Look across the world And let us shine for you And let us shine for you Look across the world And let us shine for you, Lord The whole world is yours And I want to live for you Look across the world And let us shine for you, Lord The whole world is yours And I want to live for you And I want to live for you And I want to live for you
