

Sovereign Hands

Hillsong United

Sovereign hands
Nailed to a humble cross
Scars you bear
Speak of your redeeming love
No wonder I call you the Savior
No wonder I'm singing

God of all the heavens
Now and 'til forever
High above the universe
God of our redemption
God of my surrender
The glory is yours

Sovereign God
Laying down a holy life
Heaven's Son
Willing to be crucified
No wonder I call you the Savior
No wonder I'm singing

Open hands
Given for a sovereign cause
All I have
God will be forever yours
No wonder I call you the Savior
No wonder I'm singing

Holy, holy, holy Lord
Holy, holy, holy Lord
