

# Water to Wine

Hillsong United

Everlasting  
So infinite in wildest love  
My soul thirsts for the things above  
Turn this water into wine

Blood and water  
The mercy flowing from Your side  
A river made of endless light  
When my heart was running dry

So I'll stay  
Stay in Your love  
As long as life within me I'll remain  
In who You are Lord

Take this wineskin  
My spirit bursts for something new  
There's nothing I want more than You  
'Cause only You can satisfy

So I'll stay  
I'll stay in Your love  
As long as life within me I'll remain  
In who You are Lord  
So I'll stay  
Stay in Your love  
In the vintage of Your heart  
Lord only You could satisfy me

So I'll stay  
Fixed within Your life  
A branch within Your vine  
Apart from You Lord, I've got nothing  
So I'll stay  
I will stay within Your hold  
I know You'll never let me go  
And my soul it runs with mercy

So I'll stay  
Stay in Your love  
I'll stay where You are  
As long as life remains  
So I'll stay  
Stay with You  
I'll never walk away  
I'll never be the same  
Turn this water into wine

I know You love me Lord  
I know You love me Lord  
I know You love me Lord  
I know You love me Lord

Let Your Spirit transform my soul  
Your Spirit awakens me  
Your Spirit sets me free  
And for all I'm yet to know

I know You'll never let me go  
I know You love me  
I know You love me so  
I know what love means  
It's who You are
