

# Beautiful

HIM

Just one look into your eyes  
One look and I'm crying  
'Cause you're so beautiful

Just one kiss and I'm alive  
One kiss and I'm ready to die  
'Cause you're so beautiful

Just one touch and I'm on fire  
One touch and I'm crying  
'Cause you're so beautiful

Just one smile and I'm wild  
One smile and I'm ready to die  
'Cause you're so beautiful

Oh and you're so beautiful  
My darling  
Oh you're so beautiful  
You're so beautiful  
Oh my baby  
You're so beautiful  
And you're so beautiful  
Oh my darling  
Oh my baby  
And you're so beautiful
