

Beyond Redemption

HIM

Oh I see your scars I know where they from
Sensually carved and bleed until you're death and gone
I've seen it all before, beauty and splendour torn
It's when heaven turns to black and hell to white
Right's to wrong and wrong's to right

Now

Feeling turning your heart into stone
Feeling pearcing your courageous soul
Beyond now - redemption
No one's gonna catch you when you fall

Oh I see you crawl you can barely walk
With arms wide open you keep on begging for more
I've been there before knocking on the same door
It's when hate turns to love and love to hate
Faith to doubt and doubts to faith

Now

Feeling turning your heart into stone
Feeling pearcing your courageous soul
Beyond now - redemption
No one's gonna catch you when you fall
