

Drawn & Quartered

HIM

We could be like all the others with nowhere to go
Paint ourselves into a corner with hope
This could be the end of everything we're afraid of
Or a dream of one

Let's hold these hearts for one another
It's worth all wounds, it must be
If I'm drawn and quartered
It's only for you
Shall we hold that thought now and forever
In all shades of blue?

So why won't you? (Why won't you?)
They're waiting for you (Waiting for you)
So why won't you go on and run?

Every part of me wants to believe
There's a darkness we need to feel
For the brightest light to be seen and felt inside
Only because of you

Let's hold these hearts for one another
It's worth all wounds, it must be
If I'm drawn and quartered
It's only for you
Shall we hold that thought now and forever
In all shades of blue?

So why won't you? (Why won't you?)
They want you to
So why won't you go on and run?
With them run away
Go on and run away

And I'll stay yours
Drawn and quartered
Drawn and quartered
Drawn and quartered
For you

It's all I can do my baby

Hold that thought now and forever
In all shades of blue

So why won't you? (Why won't you?)
I'll wait for you (I'll wait for you)
So why won't you go on and run?
So why won't you (Go on and run)
So why won't you go on and run?
With me run away

Hold these hearts for one another
Hold these thoughts now and forever
We'll be always
