

It's All Tears

HIM

I'm waiting for you to drown in my love
So open your arms
I'm waiting for you to open your arms
And drown in this love
I'm waiting for you to drown in my love
So open your arms
I'm waiting for you to open your arms
And drown in this love
Open your arms and let me show
you what love can be like
It's all tears and it will be
'til the end of your time
Come closer my love
Will you let me tear your hearth apart?
Now all help is gone so drown in this love
I'm waiting for you to drown in my love
So open your arms
I'm waiting for you to open your arms
And drown in this love
I'm waiting for you to drown in my love
So open your arms
I'm waiting for you to open your arms
And drown in this love
So my love your laughter is finally
turning into tears
And you're begging for more though
the end is getting near
come closer my love
I'll violate you in the most sensual way...
until you drown in this love
I'm waiting for you to drown in my love
So open your arms
I'm waiting for you to open your arms
And drown in this love
I'm waiting for you to drown in my love
So open your arms
I'm waiting for you to open your arms
And drown in this love
