

## Lonely Road

HIM

Mama, it's a lonely lonely road  
I gotta do this on my own  
Lonely Lonely road

Mama, it's just like you said  
Oh It's imaginable  
I'll Soon Be Dead  
It's just like you said

Mama, mama, I ain't goin home  
Mama, mama I am so alone  
Mama, mama I ain't goin home  
Cause it's a lonely lonely road

Mama, its been taking me  
a while to understand  
why this life treats a man  
and while to understand  
mama, I can't sleep that well at night  
nobody is holding me tight  
mama its just like you said

Mama, mama, I ain't goin home  
Mama, mama, I am so alone  
Mama, mama, It's a lonely lonely road  
Oh I am so in love  
So in love  
so in love Yeh  
It's a lonely road
