

Love, The Hardest Way

HIM

Love's the devil counting teardrops in the rain
To the sound of a chalkboard symphony played with nails
For what it's worth
I don't want to see you hurt
Anymore than you have to

Dine on glass
Wine on blood
Baby, love the hard way
Baudelaire in Braille
Baby, love the harder way
Once you lose yourself entomb
I promise you to love the hardest way

Pretty like a flower on a tomb you are
You are kissed blue by the last arrows of the sun
Olly Olly Oxen free
Hide and go weep
no more
Unless you want to

Dine on glass
Wine on blood
Baby, love the hard way
Baudelaire in Braille
Baby, love the harder way
Once you lose yourself entomb
I promise you to love the hardest way
Love the hardest way
Love the hardest way
Love the hardest way
