

Scared To Death

HIM

In the biblical sense and sensibility
let me know you
I'll kiss that smile off your face
just say when

I'm not afraid to say 'I love you'
any more than I used to be, babe
I am scared to death, I am scared to death
to fall in love

All these pick-up lines from hell
Icebreakers infernal
from a heart so black and blue
only for you

(just say when, again)

I'm not afraid to say 'I love you'
any more than I used to be, babe
I am scared to death, I am scared to death
to fall in love
with you

I'm not afraid to say 'I love you'
any more than I used to be, babe
I am scared to death, I am scared to death
to fall in love

I'm not afraid to admit I adore you
any more than I was before, babe
I am scared to death, I am scared to death
to fall in love
with you

with you...

scared to death...

I'm scared to death..

And you're sweet like poison...
