

The Path

HIM

There is no turning back from this unending path of mine
Serpentine and black it stands before my eyes
To hell
and back it will lead me once more
It's all i have as i stumble in and out of grace
I walk through the gardens of dying
light
And cross all the rivers deep and dark as the night
Searching for a reason why time would've passed us by
With
every step i take the less i know myself
Every vow i break on my way towards your heart
Countless times i've prayed for
forgiveness
But gods just laugh at my face
And this path remains
Leading me into solitude's arms
I see through the
darkness my way back home
The journey seems endless but i'll carry on
The shadows will rise and they will fall
And our
night drowns in dawn
Amidst all tears there's a smile
That all angels greet with an envious song
One look into stranger's
eyes and i know where i belong
And the path goes on...
