

## The Path

HIM

There is no turning back from this unending path of mine  
Serpentine and black it stands before my eyes  
To hell  
and back it will lead me once more  
It's all i have as i stumble in and out of grace  
I walk through the gardens of dying  
light  
And cross all the rivers deep and dark as the night  
Searching for a reason why time would've passed us by  
With  
every step i take the less i know myself  
Every vow i break on my way towards your heart  
Countless times i've prayed for  
forgiveness  
But gods just laugh at my face  
And this path remains  
Leading me into solitude's arms  
I see through the  
darkness my way back home  
The journey seems endless but i'll carry on  
The shadows will rise and they will fall  
And our  
night drowns in dawn  
Amidst all tears there's a smile  
That all angels greet with an envious song  
One look into stranger's  
eyes and i know where i belong  
And the path goes on...
