

## Rather Hate Than Hurt

Hinder

Sick and tired of bleedin' for picking up the pieces  
So I let 'em fall down, let 'em fall down  
Runnin' outta reasons to hold down the demon  
So I'm lettin' it out, lettin' it out

Cuz I'd rather be an animal, holding heartbeats on the low  
Than ever have to feel this way again, yeaah  
You made me this way, you turned my skies to gray  
Right now nothing could be worse, I'd rather hate than hurt  
I'd rather hate than

Love you any longer, I'm not gettin' stronger  
I'm just losing my grip, so sick of this shit  
Not alright, not okay, but you don't give a damn anyway  
I'm just killin' myself, this pain, this earth, this hell

Cuz I'd rather be an animal, holding heartbeats on the low  
Than ever have to feel this way again, yeaah  
You made me this way, you turned my skies to gray  
Right now nothing could be worse, I'd rather hate than hurt

Sick and tired of bleedin' for picking up the pieces

Hurt, hurt  
I'd rather hate than hurt  
Hurt  
I'd rather hate than
