

# The Best Is Yet to Come

Hinder

My first make-out session  
I learned my first lesson  
While trying to get to the next base  
When I slipped past her waist  
She smacked my hand away  
Then I got a slap in the face

If I could go back in time  
Wouldn't change a damn thing in my life  
Love the dumb things we do when we're young  
But the best is yet to come

My first drinking lesson  
I followed all my friends  
Stole liquor, went down to the lake  
Weed mixed with Whiskey  
Hell I got so dizzy  
it was more than my stomach could take

If I could go back in time  
Wouldn't change a damn thing in my life  
Love the dumb things we do when we're young  
But the best is yet to come

Go for it  
Run toward it  
Dive in head first  
Live life with no regret  
Put your heart out there  
Don't be scared you might get hurt  
But it's all worth it in the end  
Cause the best is yet to come (Yeah yeah)

My last highschool lesson  
Scared of graduation  
Tipped a few back and showed up too late  
Well my mom got mad hell my dad  
he just laughed and said,  
"Son I had done the same thing."

Just go for it  
Run toward it  
Dive in head first  
Live life with no regret  
Put your heart out there  
Don't be scared you might get hurt  
But it's all worth it in the end  
It'll all work out in the end  
'Cuz the best is yet to come

But the best is yet to come
