

Guess I'm Not That Strong

Hint

I believed in devotation, I wanted it all
Philosophy in motion, I was ripe for the fall

You'll find I'm not the one
You'll see I'm not for anyone at all

I thought my search had ended, how could I be so wrong?
I kept my heart so guarded, baby, so I can remain strong

You'll find I'm not the one
You'll see I'm not for anyone at all

I guess I'm not that strong
I'll keep moving on....
