## **Criminal Punishment**

If you take another life You should die a bloody death Rape a woman sick freak Life in prison ain't enough

Now you'll pay for what you've done We'll strap you do the electric chair Pull the switch and you will fry No remorse now you die

Criminal punishment

If you kill it's an eye for an eye Brutal attack fight back To survive you will fight till the death

Child molested-demented mind Insane a violent crime Treat them to make them well Let them out they kill again
