

# Destroy

Hirax

Kill all in sight  
Defend with your might  
Break the man's skull  
Rip out his eyes - destroy

On to the fight  
We will go  
Kill them all  
To the Fight

Evil in his soul  
You must take control  
God's on your side  
He is your pride - destroy

Strike make him bleed  
Death dying speed  
When he is dead  
Cut off his head
