Hirax

Hellion Rising, bow to your knees
Armageddon, the apocalypse, now is here

Masters will fall and slaves will rise, immortal, he
shakes the earth
Hellbringer of death and destruction to the damned

The reckoning has begun, the wrath has been
unleashed, the witching hour is here
Scorching the world, no mercy - Dark Holy War!!

Where the angels fly - The Hellion Rising
Where the angels fly - The Hellion Rising

Massive annihilation, the killing of God's high priest
Catastrophic deadly power from his hands
The reckoning has begun, the wrath has been
unleashed, the witching hour is here
Scorching the world, no mercy - Dark Holy War!!

Where the angels fly - The Hellion Rising
