

Immortal Legacy

Hirax

There is a place not so far from here
Where the elders meet at the peak of the mountain
top
They practice the ritual til this day
Travel from every corner of mother Earth

Reign!
Immortal Legacy
Reign!

To bring deceased back from the dead
Levitate and bring them back to life
Unearth them from the sarcophagus
Walk amongst the living once again

Immortal Legacy

Reign!
Immortal Legacy
Reign!

Decadence, buried alive a cryptic death
Arrogance, brought forth from the kingdom of lies
Sacrifice, timeless ever lasting strife
Lacerate, commemorate the immortal legacy of life!
