

## Lucifer's Inferno

Hirax

Armageddon is here, the end of the world  
Revelations warned us, that this day would come  
Sinners repent, pray to your god  
You are damned, and your souls will burn in hell!!!  
Perish in flames ? Banished from Earth  
Eternal misfortune, we all will die  
Stricken by fate ? Nothing can save you  
The holy cross burns your evil heathen eyes

Baptized in fire ? The creator of sin  
Dark prince, he has come to claim his throne  
Rise of the beast, sacrifice the child  
Innocent blood, stains the altar ? Pagan curse  
Cast out of heaven, for refusing to bow  
The son of fire, fallen from God's grace  
The Biblical scriptures, warnings have been written  
Wrath of God ? The archangels descend to fight

LUCIFER?

The war in heaven started because of Lucifer  
The ruler of hell as he's known  
Disobedient disciple, the bearer of light  
Forced to live eternity in the dark

How art thou cast down to the ground?  
Thrown from the heavens into the abyss  
Once he was a servant of the highest realm  
Now he's the adversary of Jesus Christ!
