

Raging Violence

Hirax

Children murdered to death
Death toll twenty dead
Killer finally caught
Set free a technicality

Parents of the victims
Hunting the killer down
Track him to his place
Fire burned it down

Raging violence
Killer from Hell
Feeling no Pain
Raging Violence

Dream being chases
Terror in your face
Claws cutting you
Scream as you die

Nightmare frightening to death
Scared stiff cold sweat
Is it a dream or is it real
Evil man haunting you
