Slit Your Wrist (anti-suicide Song)

Suicide. Maybe I could use the sleep. Depressing down, I'm slipping comatose deep. They call me a freak, Misfit #1 Now I want to live because My mission is undone.

Slit Your Wrist. Slit YOUR Wrist.

I'll get revenge. I owe them, payback is a bitch. Your fate is sealed, you should die in a watery grave. You'll be the one. Karma's sign is the spade. Bathroom tub, I'll picture you with a blade. Slit Your Wrist. Slit YOUR Wrist.
