

Walk With Death

Hirax

Just like walking through a morgue
A sight you'll never forget You are lucky, you know, to be alive
Count your blessings you bastard, before you die
WALK WITH DEATH You will live
WALK WITH DEATH You will die
Their faces turn pail white Their names are tagged on their toes
Thrown into a body bag They leave this earth when they die
WALK WITH DEATH You will live
WALK WITH DEATH You will die!

Hesto es en recuerdo de nuestros hermanos y hermanas. Que no hestán aquí, pero nunca os olvidaremos y nestáis en nuestros corazones y vidas para siempre. Y no hos olvidáis que hos queremos mucho. ...Hos tenemo en nuestros corazones para siempre...

This is in remembrance of our brothers and sisters who are no longer with us. We will never forget you. You will be in our hearts and our lives forever. And never forget that we love you very much. ...You are in our hearts forever...1
