

# Keep You Kimi

Hird

Uh uh uh  
Full moon  
Make this night  
Love will  
Heal the wound  
The glowing light  
Will make things right  
It's alright

Full moon  
Wait in vain  
Love for sure  
Will come with rain  
Rain for sure  
Will make it right  
It's alright

Uh uh uh  
Uh uh uh

It's alright  
It's alright

It's alright  
It's alright

Dark Sky, rinse me with rain and I'll cry  
Love tears blurring my sight, it's alright  
Filled up and want to be empty  
Rinse Me

Rinse Me

Uh uh uh...
