

Hey Jealousy

Hit the Lights

Tell me do you think it'd be all right
If I could just crash here tonight
You can see I'm in no shape for driving
And anyway I've got no place to go

And you know it might not be that bad
You were the best I'd ever had
If I hadn't blown the whole thing years ago
I might not be alone

Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might be found
To take its place

Hey Jealousy
And you can trust me not to think
And not to sleep around
If you don't expect too much from me
You might not be let down

Cause all I really want is to be with you
Feeling like I matter too
If I hadn't blown the whole thing years ago
I might be here with you

Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might be found
To take its place

Hey Jealousy

Tell me do you think it'd be all right
If I could just crash here tonight
You can see I'm in no shape for driving
And anyway I've got no place to go

And you know it might not be that bad
You were the best I'd ever had
If I hadn't blown the whole thing years ago
I might not be alone

Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might be found
To take its place

Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might be found
To take its place

Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might be found
To take its place

Hey Jealousy

She took my heart

There's only one thing I couldn't start
