## **Operation Northwoods**

## **Hit The Switch**

within the course of us. Anti-communism against Cuban enemy, a plan was made, a tragedy! Manufactured terroristic acts inflicted on the peace, is venality, cross bone strategy, the plot to persuade war support, leaves the public in a crossfire, no ones on your side, the facts have made innocence, today the streets are well infected, the bodies fully numb, our jobs our homes our families remain, the extent of our concern, without public interference they are free, free to provide themselves more greed, we've paved their road.
