

Little Old Lady

Hoagy Carmichael

Little old lady passing by
Catching everyone's eye
You have such a charming manner
Sweet and shy

Little old bonnet set in place
And a smile on your face
You're a perfect picture
In your lavender and lace

A little bit of business here
A little bit of business there
Bet that you've been window shopping
All around the square

Little old lady, time for tea
Here's a kiss, two or three
You're just like that little old lady
I hold dear to me
