

## Little Old Lady

Hoagy Carmichael

Little old lady passing by  
Catching everyone's eye  
You have such a charming manner  
Sweet and shy

Little old bonnet set in place  
And a smile on your face  
You're a perfect picture  
In your lavender and lace

A little bit of business here  
A little bit of business there  
Bet that you've been window shopping  
All around the square

Little old lady, time for tea  
Here's a kiss, two or three  
You're just like that little old lady  
I hold dear to me
