

Lost Fate

Hocico

This is the story of my life, you hear the voices from the other side

I'm here and you are there, I know you can hear me, I know you can feel me

Lost fate, I didn't want to die
Tell me, they say it was suicide
Lost fate, I didn't want to die
Tell me, they say it was suicide

This is the story of my life, now I know a day like this I died
You were there and took my hand,
Don't cry, I know you can hear me, I know you can feel me

Lost fate, I didn't want to die
Tell me, they say it was suicide
Lost fate, I didn't want to die
Tell me, they say it was suicide
