

## Work

## Hockey

Oh, well  
An easy life  
That I never wanted  
We agree  
Headlong worked out I see  
Is there a way that we could skip this part?  
Because one time when I lose someone  
Every time they wanted to cry for me  
All my life I guess I'm down with that  
It might be worth it  
All I say is

It's too much work, work, working  
Just too much work for me  
It's too much work, work, working  
Just too much work for me

And so I saw you running on  
I always knew you wouldn't come up with it  
And I always, always look forward  
That you wouldn't, wouldn't come up it  
And you're just, just a big talker  
I'm like you  
And we don't, don't worry about it now  
I really love when someone talks back to me

Even though it's work, work, work, yeah  
Whoa it's too much work for me  
It's too much work, work, working  
Just so much work for me

It's too much work, work, work  
Uh-oh uh-oh  
It's too much work, work, work  
Uh-oh uh-oh  
It's too much work, work, work  
Uh-oh uh-oh  
It's too much work, work, work  
Uh-oh uh-oh

And I guess there's a lot to learn  
Well from a life of very fast days  
Yes and I guess there's a lot to learn  
All from a life of take-what-you-want-days  
Oh, well me, well I just don't know  
I'm just a preacher not a spiritual hoe  
Oh well come on, just figure it out with me  
Even though I know it's so

So much work, work, work, yeah  
Just so much work for us  
So much work, work, working  
Just so much work for us

So much work, work, work  
Uh-oh uh-oh  
So much work, work, work

Uh-oh uh-oh  
So much work, work, work  
Uh-oh uh-oh  
So much work, work, work  
Uh-oh uh-oh

I tell 'em straight up  
I'll do it, I shouldn't have to  
Tell 'em straight up, yeah  
I'll do it but I shouldn't have to  
Tell 'em straight up  
Yo, I'll do it, I shouldn't have to

So much work, work, work, yeah  
Just so much work for me  
That too much work, work, work, yeah  
Whoa so much work for me  
Far too much work, work, work, yeah  
Whoa so much work for me

Goodbye
