

Perfect Day

Hoku

Sun's up
A little after twelve
Make breakfast for myself
Leave the work for someone else
People say
They say that it's just a phase
They tell me to act my age,
Well I am

On this perfect day,
Nothing's standing in my way

On this perfect day,
When nothing can go wrong

It's the perfect day,
Tomorrow's gonna come too soon
I could stay, forever as I am

On this perfect day

Sun's down
A little after ten
I pick up all my friends
In my Mercedes-Benz

Wake up
Don't tell me it's just a dream
'Cause when I've had enough
You'll hear me say,
Now don't you try to rain on my

Perfect day,
Nothing's standing in my way

On this perfect day,
Nothing can go wrong

It's the perfect day,
Tomorrow's gonna come too soon
I could stay, forever as I am
On this perfect day

La la la
La la la,
Oh, oh

I'm in the race
But I've already won
(La la la)
And getting there can
Be half the fun
(La la la)
So don't stop me
Till I'm good and done,
Don't you try to rain on my

Perfect day
It's the perfect day

It's the perfect day
Nothing's gonna bring me down
I could stay, forever as I am

On this perfect day
Nothing's standing in my way,

On this perfect day,
Nothing can go wrong

I'm in the race
But I've already won
And getting there can
Be half the fun,
So don't stop me
Till I'm good and done,
Don't you try to rain on my

Perfect, day
On this perfect day
On this perfect day
