

# Miss World

Hole

I am the girl you know can't look you in the eye  
I am the girl you know so sick I cannot try  
I am the one you want can't look you in the eye  
I am the girl you know I lie, and lie, and lie

I'm miss world, somebody kill me  
Kill me pills, no one cares my friends  
My friend

I'm miss world, watch me break and watch me burn  
No one is listening my friends, yeah

I made my bed I lie in it  
I made my bed I die in it  
I made my bed I lie in it  
I made my bed I die in it

Cute girls watch when I eat ether  
Suck me under, maybe forever my friends, yeah

I made my bed I lie in it  
I made my bed I die in it  
I made my bed I die in it  
I made my bed I cry in it  
I made my bed I lie in it  
I made my bed I cry in it  
I made my bed I die in it  
I made my bed I lie in it

My friend

I am the girl you know can't look you in the eye
