

And the sky was made of amethyst  
And all the stars look just like little fish  
You should learn when to go  
You should learn how to say no

Might last a day, yeah  
Mine is forever  
Might last a day, yeah  
Mine is forever

When they get what they want, they never want it again  
When they get what they want, they never want it again

Go on, take everything, take everything, I want you to  
Go on, take everything, take everything, I want you to

And the sky was all violet  
I wanna give the violet more violence  
Hey, I'm the one with no soul  
One above and one below

Might last a day, yeah  
Mine is forever  
Might last a day, yeah  
Mine is forever

When they get what they want, they never want it again  
When they get what they want, they never want it again

Go on, take everything, take everything, I want you to  
Go on, take everything, take everything, I dare you to

I told you from the start just how this would end  
When I get what I want then I never want it again

Go on, take everything, take everything, I want you to  
Go on, take everything, take everything, I want you to  
Go on, take everything, take everything, I want you to  
Go on, take everything, take everything, I want you to  
Go on, take everything, take everything, I want you to  
Go on, take everything, take everything, take everything, take everything
