

# Look Out Below (this Love)

## Holiday Parade

The girl that turned me around  
Loves me upside down  
And I can't describe to you this thing that I've found  
The butterflies, sure  
Well I've got even more  
Than anyone here has ever had before  
And I can't wait to find out what's in store

And this love, it's better  
It may take me forever  
But I, I just gotta let you know, oh  
And this love, it's crazy  
It's the one thing that can save me  
And I, I'm just trying to take it slow, oh  
Cause I'm about to fall  
You better look out below

Can you taste her spell?  
But boy it's sweet as hell  
It's the way her kiss, it tingles in my mouth  
It's how I know the way  
You love those rainy days  
And every evening I stop and pray  
That you'll stick around for one more day

This love, it's better  
It may take me forever  
But I, I just gotta let you know, oh  
And this love, it's crazy  
It's the one thing that can save me  
And I, I'm just trying to take it slow, oh  
Cause I'm about to fall  
You better look out below

And this love's taking this boy so long  
And this love always hits me like my favorite song  
I wanna play all night long  
Yeah  
This love, it found me  
Let it all surround me  
And I, I never thought it could be so, oh

And this love, it's better  
It may take me forever  
But I, I just gotta let you know, oh  
And this love, it's crazy  
It's the one thing that can save me  
And I, I'm just trying to take it slow, oh

Da da da da da

Cause I'm about to fall  
You better look out below
