

Deathly Dirges

Hollenthon

Desecrated Sealed death
Walking corpses

Reapers of Gormorrah
Calling from the East
Savoring sweet sermons
Satan's feast

Fragrant, foul, alluring
Lurking venom spills
Minions maiming courage
One by one

Desecrated Putrid lips
Deathly dirges

Reapers of Gormorrah
Marching in the East
Decotion drenched in blood
Deed by deed

Fragrant, foul, alluring
Weeping blinded eye
Hordes awake in nightmares
Dream by dream

Saviors soldiers of misfortune
Drown remorse with scented lies

Wrethched are the humble
Blessed are the bold
Craven putrid pledges
Fade

Wretched are the mourners
Blessed those who kill
Infestuous putrid pledges
Cry

Wretched are the peaceful
Blessed cowards flee
Spineless putrid pledges
Run

Inheriting the dying
Hallowed be thy nameless
Lethal putrid pledges
Fade.. Fade..

As carrion men moan for burial
And foul deeds reign free upon the earth
No sentry keeps the flame afire
While squalls of rage devour their name

Desecrated Putrid lips
Deathly dirges
