

# Don't Give Up Easily

The Hollies

If a foolish fool like me  
Can read you easily  
Then something must be wrong

Something's different when we speak  
It seems the past few weeks  
Our love's not been so strong

Lovers have always had this problem  
Ask anyone, you'll see  
We've got to hang on til it passes  
Don't give up easily

If we say what's on our minds,  
We'd save a lot of time  
Don't give up easily

I know you're feeling bad  
Sometimes I make you sad  
But when you're feeling sad,  
I'm feeling just as bad

During the good times it's so easy  
You are in love like me  
Sometimes we feel we want to leave it  
Don't give up easily

If we say what's on our minds,  
We'd save a lot of time  
Don't give up easily  
Ask anyone, you'll see  
They'll say the same as me  
Don't give easily
