

# Have You Ever Loved Somebody?

The Hollies

You say that you want me and now that you've got me you're gone  
Think what you're doin' or else you'll regret what you've done  
Don't come back tomorrow and say what we did wasn't right  
You'll cry on your pillow and find it hard to sleep at night

Have you ever loved somebody  
Don't you know just what it's like  
Hurting someone that you're close to  
Have you ever loved all night all night

Remember what happened the last time that you said goodbye  
Remember the saying that once bit and I'll be twice shy  
It's no use me crying there is no denying it's right  
When thinking has ruined the feeling that we had to fight

Have you ever loved somebody  
Don't you know just what it's like  
Hurting someone that you're close to  
Have you ever loved all night all night

If you hear people talking now  
Will you laugh or cry  
If you cry I'll sympathize with you  
If you laugh I'll die  
If you laugh I'll die

You say that you want me and now that you've got me you're gone  
Think what you're doin' or else you'll regret what you've done  
Don't come back tomorrow and say what we did wasn't right  
You'll cry on your pillow and find it hard to sleep at night

Have you ever loved somebody  
Don't you know just what it's like  
Hurting someone that you're close to  
Have you ever loved all night all night

Have you ever loved somebody  
Don't you know just what it's like  
Hurting someone that you're close to  
Have you ever loved all night all night
