

## Heading for a Fall

The Hollies

You say that you want me  
I've no cause to doubt you  
My friends tell me different that's all  
They say that I'm blind  
But I know all about you  
I know that I'm heading for a fall  
I know that I'm heading for a fall

I seem to be hypnotized by all your beauty  
A subject to your beck and call  
Your arms magnetize me  
When I'm here beside you  
I know that I'm heading for a fall  
I know that I'm heading for a fall

Or am I wasting my time  
Or am I wasting my time

Or am I wasting my time  
Or am I wasting my time

What is it about you that tempts me and taunts me  
I can't understand it all  
If I try to leave you I know that you'll haunt me  
I know that I'm heading for a fall  
I know that I'm heading for a fall
